REMARKS

25X1

1. At the beginning of June 1951, the Schweinrich (N 54/U 22) training area was observed to have new caution signs and was guarded. Sentries stood at: the northeastern tip of Dranse Lake; 500 meters north of Camp Schweinrich; west of Zempow; northwest of Lutterow; west of Basdorf; west of Neuglienicke; east of Pfalzheim; east of Gadow; and east of Zootzen. Guarded road blocks were east of Schweinrich and west of Lutterow. The Wittstock-Zechlin road was blocked to civilian traffic. Gun fire was heard from the southern part of the Neu-Lutterow area every day except Sundays.
